### INTERESTING PLACES AND STRANGE IDEAS IN URBAN EUROPE

#### SLIDE-SHOW COMPETITION

compiled by Iván Tosics MRI, Budapest

ENHR Conference, ATHENS
29 August 2019

The competition is organized for **teams of maximum four people**.

Your first task now, before the beginning of the competition, is to **form your team** (diversity is obviously an advantage!). Then agree on a **code-word** for your team and write this in the upper right corner of the questionnaire.

Please do not use your mobile phones during the competition,

At the end of the competition, after the questionnaires are collected, the **correct answers** will be shown and discussed.

The announcement of the winners will take place **on Friday, at the closing plenary**.

The **first three teams** will be awarded, the rest of the teams will only be mentioned by code-word.
